

Terms and Conditions for Purchase

Verbal hold - maximum time period 3 days. This will allow you time to get appropriate funds to us.

Deposit required to hold any unit: \$1000

Deposit must be received within 3 days from the time it was put on verbal hold. If deposit is not received in time frame allowed, the unit will become available for purchase by other interested parties.

Unit must be paid in full within 14 days from the date on the purchase agreement or date deposit was received. This will give you time to come and personally inspect the trailer should you decide to do so. As of July 1, 2004, Indiana requires collection of sales tax on all vehicle/trailer purchases, including all in-state, out-of-state and out of country customers. I will provide you with an ST-108 Form proving you paid sales tax in the state you bought it from. In most cases you will not have to pay this twice but please check with your specific state. If you hold a retail merchant certificate and this trailer is for immediate resale, then you can fill out a ST-105 Exemption Form and I will not need to collect sales tax.

Methods of payments: certified check, money order, or funds can be wired into our account. VintageCampers.com will not release any unit until it is paid in full and all funds have cleared our bank. (This may take up to 14 days if paying by certified check or money order). If you are in a rush to get your unit, please contact us regarding the procedure to have funds wired directly into our account. If balance is not paid in full in the time frame allowed, the unit will become available for purchase by other interested parties.

If possible, we recommend that you personally inspect any vintage camper before deciding to purchase. We understand that it is not always possible or economically feasible to come to Peru, Indiana to look at a trailer, that is why we list detailed descriptions and many photos of each trailer we have for sale. Should you decide to purchase a trailer from us and are unable to personally inspect it, you are purchasing it in "as is" condition with no warranty. Purchase would be made solely based on the photos and detailed information on our website.

The attached purchase agreement must be fully filled out, signed, dated and e-mailed or mailed to us along with the funds in order to proceed with

the purchase of a trailer. If you send funds for a trailer, you are agreeing to the terms set forth in these Terms and Conditions for Purchase.

Any unit which is paid in full may be stored at the VintageCampers.com dealership at NO CHARGE for up to 1 year after the date of purchase. Whether you store the trailer here or plan to pick it up right away, you will need to have your own insurance coverage on the trailer once it is paid for.

VintageCampers.com may void the sale and retain half of the deposit paid in the event that these terms and conditions are not fully met.
